Coconut Rice

- 2 cups jasmine rice
- One can coconut milk
- 1 ½ cups water
- 3 T shredded coconut
- 1 teaspoon Kosher salt
- Toasted coconut for garnish

Directions

1. Put the washed jasmine rice, coconut milk, water, shredded coconut and salt in the inner pan and stir. Set in the rice cooker.
2. Select the [Sweet] menu and press the [Start] key.
3. Gently fluff the coconut rice using your rice paddle before serving. Garnish with toasted coconut and serve.
